

NO SMOKING?

NO PROBLEM!

Now that New York has banned smoking indoors, make sure that you are offering your customers the *Ultimate Cigarette Butt Receptacle*.

The Smokers' Oasis™

Model # SRS-1

- Saves Money by reducing maintenance time.
- 4-gallon removable bucket conceals thousands of cigarette butts.
- Weather resistant polyester powder coat finishes are UV resistant & help prevent cigarette burn damage.
- Easy to use, hasp closures welded to each side of the unit, securely fasten the top to base.
- Vinyl base pad protects both the floor & unit.
